C.V.

Name: Maryam

Last Name: Okhovati

Secretary of Library & Information Science Board, Ministry of Health, Treatment and Medical Education, IRAN.

Research Dean of Medical Management & Information School, Kerman University of Medical Sciences, Kerman, IRAN.

Educational Vice Dean of Medical Management & Information School, Kerman University of Medical Sciences, Kerman, IRAN.

Educational Vice Dean of International Campus of Kerman University of Medical Sciences, Kerman, IRAN.

Head of Department of Health Information Technology, Medical Management & Information School, Kerman University of Medical Sciences, Kerman, IRAN.

Head of Webometrics & Scientometrics Office, Kerman University of Medical Sciences, Kerman, IRAN.

Head of Teacher Evaluation Office, Medical Studies & Development, Kerman University of Medical Sciences, Kerman, IRAN.

Advisor of Undergraduate Talented Students of Kerman University of Medical Sciences.

Education

- PhD in Library & Information Science, Ferdowsi University, Mashad University, Mashad, IRAN.
- M.S. in Medical Library & Information Science, Iran University of Medical Sciences, Tehran, IRAN.
- M.S. in Medical Education, Kerman University of Medical Sciences, Kerman, IRAN.
- B.S. in English Literature, Azad University, Kerman, IRAN.

Papers:

Conferences

- Globalization Concept and extent. Library & Information Science Association Conference, 2003.
- Mapping the Iranians' research literature in the field of pathology in Scopus Database, 2010-2014- Okhovati, M., Karami, F., Malekpour Afshar, R., Bazrafshan, A., Bazrafshan, M.- 2015
- Web 2.0 technologies use by students of Kerman University of Medical Sciences: An educational approach. Okhovati, M., Akbarnejad, R., Zolala, F.- Singapore- 2012
- Knowledge, attitude and practice of managers toward knowledge management at Kerman governmental organizations. Akbarnejad, R., Okhovati, M.- Germany- 2015
- Mapping the Iranians' research literature in the field of addiction in comparison with selected countries 2000-2014. Okhovati, M., Zare, M., Bazrafshan, A.- Tehran- 2015

- Iranian's research profile in the field of addiction and drug use disorders 2000-2014. Zare, M., Bazrafshan, A., Okhovati, M.- Tehran- 2015
- Modeling global research in the field of addiction: research on alcohol, narcotics, drug use disorders, tobacco, and steroids 2000-2014- Bazrafshan, A., Zare, M., Okhovati, M. - Tehran- 2015.
- Content Analysis of School Books in terms of Health Criteria. Okhovati, M., Moradzadeh, M. 2015.
- Investigation of Managers' and Librarians' of Academic Libraries on Teleworking. Khodabakhshzadeh, M., Aazami, M., Okhovati, M. 2013.
- Students Use of Search Tools at Kerman University of Medical Sciences, Tasdighi, M., Okhovati, M. 2013.
- Electronic Education as a Modern Tool of Knowledge Management in Improving Postgraduate Library & Information Education, Okhovati, M., Sharifpour, M., Hamzehzadeh, M. 2013.

Thesis and Dissertations (as supervisor):

- Relationship between cognitive styles and internet anxiety among higher school students at Kerman.
- Comparing the performance of Scopus, WOS, Google Scholar, PubMed searching neuroscience information.
- Investigation of bibliotherapy on anxiety, stress and depression of patients with multiple Sclerosis (level 1)
- Quantitative and qualitative evaluation of Medical Management curriculum.
- Postgraduate students use of virtual reference services at Kerman University of Medical Sciences.
- Investigation of librarians' information literacy in academic libraries.
- The effect of knowledge management on print and electronic resources organization.
- Comparing research output (H-index and other variations) of Asian scientists of natural Diseases.

Workshops held:
Social Media in Medical Education.
Webometrics metrics.
International Metrics of Universities Evaluation.
Search Strategy in Searching Medical Literature.
Systematic Review Search Strategy.
How to Publish Papers in Scientific Journals.
How to search bibliographic, full-text and citation databases.
Evidence-based Medicine: to search evidence.
